

ALI ELAHI, M.D.

26800 Crown Valley Pkwy, Suite 455
Mission Viejo, CA 92691
Office: (949)365-9128, Cell: (949)705-9964
Email: elahi75@hotmail.com
U.S. Citizen

EDUCATION

- 2001-2004 University of Iowa Hospitals and Clinics
Neurology Residency Program
Chairman: Antonio R. Damasio, MD, Ph.D
Program Director: Robert L. Rodnitzky, MD
- 2000-2001 University of Pittsburgh Medical Center--Shadyside Hospital
Transitional Year Medicine
Member--Committee for development of hospital Stroke Service
- 1996-2000 University of Pittsburgh School of Medicine
M.D., May 2000
Honors in Neurology Research Clerkship
- 1993-1996 University of Pittsburgh
Bachelor of Science, Neuroscience
Certificate in the Philosophical Foundations of Medicine
Summa Cum Laude graduation with Honors
- 1992-1993 UCLA
Completion of basic sciences; Dean's List every quarter
Transferred to University of Pittsburgh for study of Neuroscience
- 1989-1992 San Dieguito H.S. Encinitas, CA: Graduated 5th in class of 520

CERTIFICATION

Diplomate, American Board of Psychiatry and Neurology--53364

Licensed in state of California—A86267

HONORS/AWARDS

- 2010-2012 2010, 2011, 2012 Patient's Choice Award: *Compassionate Doctor Award*
The **Compassionate Doctor** certification is part of Patients' Choice recognition program, where patients rate and vote for their favorite doctors
- 2004 American Academy of Neurology (AAN) Resident Scholarship Award
Merit given to one resident in class for performance, research, teaching, and community service
- 1997-1999 Children's Hospital of Pittsburgh Student Research Scholarship Award
- 1995-1996 National Institute of Mental Health (NIMH): Fellowship Award for research in the neuroscience

EXPERIENCE/FACULTY POSITIONS

2007-present	<u>Retained Expert</u> testimony/court deposition topics covered to date: concussion, cervicogenic headaches, wrongful death, stroke management of TIA/Stroke in hospital ER
2013-present	<u>Faculty Speaker</u> — <i>Teva Pharmaceuticals</i> (Nuvigil)
2010-present	<u>Faculty Speaker</u> — <i>Pfizer Pharma</i> (Lyrica)
2013-present	<u>Adjunct Professor</u> — <i>Touro University College of Osteopathic Medicine</i>
2011-present	<u>Expert Reviewer</u> — <i>Medical Board of California</i>
2008--present	<u>Scientific Advisory Board</u> — <i>Aurimed Pharma, Inc.</i>
2005-Present	Founder— <i>Orange County Neurology, Inc.</i> (06/01/2005-Present) Private practice serving 3 hospitals in Orange County, CA. General Neurology services, EMG, EEG, and botulinum toxin therapy.
2005-2011	<u>Assistant Professor</u> —UCI Department of Neurology (Volunteer Faculty)
2007-2008	<u>Principle Investigator</u> — <i>Clinical Trials Associates</i>
2005	<u>Associate Neurologist</u> — <i>Mission Internal Medical Group</i> (04/01/05-05/31/2005)
2004-2005	<u>Associate Neurologist</u> — <i>Neurocenter</i> (07/01/2004-03/31/2005)

RESEARCH PUBLICATIONS/PRESENTATIONS/LECTURES

2012	Invited Speaker: " <i>Cryptogenic Stroke: No-longer so cryptic.</i> " -- Discussion of etiology and pathophysiology of cryptogenic strokes including cardioembolism due to paroxysmal atrial fibrillation. Sponsored by <i>Medtronic, Inc.</i> (roundtable discussion) March 29, 2012
2007	Invited Speaker: " <i>Silent Killer: Non-Convulsive Seizures and EEG Monitoring in the ICU</i> "--Mission Hospital Regional Medical Center; CME Lecture Series, September 2007 Invited Speaker: " <i>Carotid Stenting versus carotid entdarterectomy</i> " Orange County Stroke Association, May, 2007.
2006	Invited Speaker: " <i>Taking the Headache Out of Botox: New treatments for migraines using Botox.</i> " PBS Television show <i>American Health Journal</i> , July 2006.
2005	Invited Speaker: " <i>Alzheimer's Disease.</i> " PBS Television show: <i>American Health Journal</i> , November 2005.
2006	Invited Lecturer: " <i>On Migraine Headaches: Diagnosis and Advanced Therapy</i> " at South Coast Medical Center; Mission Hospital Regional Medical Center; CME Lecture Series, May 2006
2005	Invited Lecturer: " <i>Guillain-Barré Syndrome</i> " --Mission Regional Medical Center CME Lecture Series, April, 2005.

- 2004 Invited Lecturer: "*Guillain-Barré Syndrome*" at Southwest Healthcare System Lecture series to medical staff--November 17, 2004.
- 2003-2004 "Balloon and Stent Assisted Percutaneous Transluminal Angioplasty of Cerebrovascular Occlusive Disease for the Prevention of Stroke" Coauthor of chapter in Handbook of Cerebrovascular Disease by H.P. Adams, 2004; Marcel Dekker.
- 2003-2004 Elahi A, et al. "Posterior Reversible Encephalopathy Syndrome (PRES) as the initial manifestation of Guillain-Barré Syndrome." *Neurocritical Care*, 2004;1(4):465-468. Poster presented at the American Society of Neuroimaging (ASN) National meeting—Phoenix 01/28, 2004
- 2003-2004 Invited Lecturer: "*Myasthenia Gravis, Guillain-Barré Syndrome, and ALS*" to students of Physical Therapy, University of Iowa Hospitals & Clinics
- 2003-2004 Invited Lecturer: "*Myasthenia Gravis and Guillain-Barré Syndrome*"—Lectures to nursing staff for certificate in neuroscience education, University of Iowa Hospitals & Clinics
- 1997-1999 "Depression as a manifestation of the biochemical defect in Dopa-Responsive-Dystonia" Study of the neurochemistry, genetics, and pathophysiology of dystonia as present in a large family. Author and director of research protocol--Department of Neurology, Children's Hospital of Pittsburgh (CHP). Funded by Clinical Research Center at CHP—Poster presented at the 56th Annual AAN meeting--San Francisco, April 2004, Publication Pending
- 1994-1996 "Large Lesions of the Suprachiasmatic Nucleus Eliminate rhythms in Temperature and Locomotor Activity in albino rats" Poster presented at NIMH student conference. Investigated controversy over the central regulation of circadian temperature rhythm in mammals. Funded by NIMH Research Fellowship Robert Y. Moore, M.D., PhD. Laboratory
- 1994-1995 University of Pittsburgh Neuroscience Department
Independent study--Investigated anatomy of rat neostriatum
- 1992-1993 UCLA Student Research Program
Student Assistant in Dr. K. Faull's lab. CSF fluid analysis using gas chromatography

ORGANIZATIONS

- 2005-Present Member, Orange County Neurological Association
2005-Present Member, Orange County Medical Association
2004-Present Member, American Association of Neuromuscular & Electrodiagnostic Medicine
2001-Present Member, American Academy of Neurology (AAN)
2001-Present Member, American Medical Association (AMA)
